Grade 3: Road Runners

The Attleboro Roaders had a great team win. We defeated the Attleboro Warriors 4-3. We had a great defensive effort by Tyler, Aiden, Lucas and Michael. We had a great offensive play by Carter, Cameron and Kamdyn with goals scored by Jackson, Stefan and Michael. Our goalie Gavin did a great job stopping multiple shots on the net.

A Note From AYS' President

Hello all, the season is now in full force with some teams winning, some losing, and a few ties.

We hope everyone enjoy the games. Please join me and thanking all the all the volunteers for helping make sure things run each and every week, from getting the fields lined, nets put on the frames, schedules and done and being available at each of the fields.

Just as important as those volunteers are your team coaches who are there for each practice and games, so please help us thank them as well.

Chris Macia AYS President
