A Note From AYS' President

Hello all, Weather is affecting many of us this season, as we had to close fields for practices. The weather hasn't kept us from enjoying the beautiful weather on the weekends and the excellent games. Hopefully, we hit a drier patch for the next couple of weeks so teams can practice.

Zero Tolerance Policy - Reminder that no one is to yell at the referees! Coaches have ways to evaluate the referees, to help them improve as they are all learning and growing with each game. Also always assume someone from the other team is sitting next to you, so don't say something about the other team as it could offend those folks supporting that team.

ELKS Shootout at Poncin this past Sunday was lightly attended but plenty of fun and trophies for those that attended. We will be hosting the regional qualifier in a few weeks with those that qualified from last weekend.

WEEK 1 COACHES CORNER

Gr. K Coed

Atlanta United

Morgan was upset to be benched at the start because she wanted to play so badly! And she wasn't the only one!!! I don't like seeing them sad to have to wait, but, I absolutely LOVE that the kids WANT to play and are having so much fun! Plus...I think I even saw Cooper PASS the ball to Bobby at one point!!! That was awesome! Thank you to Coach Jay and Coach Chad for helping out extra this week 🙌👍❤️👍

Columbus Crew

Columbus Crew did great this week! Emily worked hard to get around the defenders for a goal with the assist of Sophia and Jelli. The kids all enjoyed being on the field and moving the ball down to the goal Great job team!

FC Dallas

Great team effort by everyone today. All of the players did a much better job dribbling the ball under control with their heads up. We saw some great passes from Abigail, Maire, Jacoby, Tyler, Valentina, and Nico. Mason, Cody and Landon played very well together on offense. Norah, Noah, Reilly and Matthew played solid defense. We're looking forward to getting Ava back next week.

NE Revolution

Great game this week. Hannah scored her first goal of the season. Nick also put in a few. Gavin and Cameron played strong in both halves. Nate and Summer worked hard on getting back on defense. Addison and Violet both passed the ball, on purpose!!! Looking forward to getting a practice in this week to continue to build our teamwork skills.

Gr. 1 Coed

Columbus Crew:

This was a great game for the Columbus Crew even though we didn't practice (again) this week due to the rain. Well, in spite of that, we made up for it with a concentrated pre-game run through of the relationship between offense and defense and how to score a goal. Stand outs this game came in many forms... Emma, Joseph and Brady were relentless in the pursuit of the ball. While Jayla, Mason and Liam kept a solid line when the opposing team tried to advance. It was good to see Grant get his first goal with both Travis and Joseph following suit to give us our best game to date. Go Columbus!

Houston Dynamo

Another good effort by the Houston Dynamo. Camryn put forth great effort all over the field and Kaison was strong on the defensive end. Ella was impressive as she ran for the ball and Rowan was solid with every position we asked him to play. Overall a great game!

Orlando City SC

Each game just gets more amazing to watch! These kids have only had 1 team practice thanks to mother nature, but out on that field they play and pass as if we've been practicing all along! Offense: 3 amazing goals between Lilly and Anthony! Nolan with an amazing and close attempt! Mason each week improving his foot work and taking it up the field. Defensively the team was on point Christopher, Gabriel, Oskar, Haylee nothing got passed anyone! The team spirit and cheering on one another kept up throughout the game! We truly could not be more proud of each and everyone of the players!

WEEK 1 COACHES CORNER

Gr. 1 Coed

New York Red Bulls

The gr 1 Red Bulls were resilient this week on defense. Players were trying new moves and working on moving the ball up field. Ethan had a few breakaways from the midfield line along with Aliyah. Iris was confident out there stopping any ball that came across her path. Sanaya had a beautiful play when she dribbled passed the defense and passed it to copper who then took a shot on net. Great team work Red Bulls!

FC Dallas

All of FC Dallas has been improving by leaps and bounds weekly. Colin and John's defense ensured the other team didn't get any easy goals. Great hustle from Maria and Adele allowed scoring opportunities for Coby, Max and Brennan

Los Angeles FC

LAFC put forth a tremendous effort this week against the Portland Timbers! Again, the team played a fierce defense swarming the ball and putting Portland back on the defensive. Andrew, Ben and Woodens played a great game and created some good opportunities in the offensive end. Sophia, Caitlin and Kyla were a strong combination up front with Kyla scoring two great goals! Dalton and Tyler played great all around games making sure the defense was strong and creating scoring opportunities up front. Dylan had a knack for scoring with 5 goals and a great assist on Dalton's goal! He's getting better and better every week! The coaches are proud of the strong effort the team put in and look forward to another great effort next weekend! Awesome playing LAFC!

Portland Timbers

This week we played a nail biting game against a tough team. Special notice to both Cian and Leah for their tireless efforts

Gr. 2 Boys

NE Revolution

WOW!!! Gabe and Ben both did FANTASTIC as our goalies this week! Sam, Liam, Mason and Grady did a great job passing to each other! At this age it's still pretty hard to give up the ball to someone else. But, I'm really impressed that they seem to be getting it! And Evan, Jameson, Logan and Cam did outstanding on defense. It sure was hard for the other team to get by them!

Gr. 2/3 Girls

North Carolina Courage

The Courage played excellent, despite having only one sub this week. Sadie and Hannah both had multiple scoring games, while Izzy went the full length of the field to put in her first goal of the season. Several girl combined to allow just one goal. Meghan played both sides of the field. Alaina showed new speed in the game. Sarah Kate was the iron-woman, playing the entire game.

Washington Spirit

The Washington Spirit came ready to play Sunday! From Nile and Lucie protecting the net to Annika and Avery putting the ball in the back of the net multiple times, everyone showed a stellar performance. Next week they'll be sure to bring it again!

WEEK 1 COACHES CORNER

Gr. 3/4 Boys

FC Dallas

Luka was on fire on offense while the defense remained solid throughout.

Atlanta United

After a tough loss, the team learned the importance of doing your job and staying in position. Some excellent defense was displayed by Sean M. and Sean G. who kept attacking players to the outside when it was their turn on D.

Gr. 4/5/6 Girls

Orlando City FC

Great game my team control the whole game gains Washington spirit they had not even a good chance to score a goal.

Utah Royals

Awesome game against Utah Royals. Action packed and intense. Ishana scored her first goal with Ocean scoring the second. Excellent goalie work by Sam and Rilee. Solid defense by Lena, Caitlin and Dabria. Paige did a great job in offense jumping in the action. Saw some good passing and teamwork!

North Carolina Courage

North Carolina Courage girls defeated Houston Dash 3-1 but not without a fight. Those Houston Dash girls came to play and gave us our toughest competition yet. Our defense gets stronger by the week and these girls are really showing their strengths. Gabby played goalie for the first time and did an amazing job. Aaliyah, Ashlyn and Emersyn all showed what they can do on offense and all did amazing job working together. Looking forward to game 4!

WEEK 1 COACHES CORNER

Gr. 5/6 Boys

Minnesota United

Big game for the United! Our offense and defense spread out, communicated, and hustled the entire game. Sawyer made our first goal with a strong and nifty kick and Hassan scored with a skillful and perfectly placed shot. Colton shined on defense with strong kicks upfield to get the ball back in offensive territory. And our goalkeepers Tiny and Ryan made some great saves. Great energy, hustle and teamwork United!

NE Revolution

Another tough loss this week, 2-1. Outstanding goalkeeping by Aidan.

Gr. 7/10 Coed

Atlanta United

Well...I think you learn and grow more from a loss than a win and I'm excited to use this week to work on our weaknesses as well as improving upon our many strengths. Most importantly...I couldn't be more proud of how this team handled themselves. They played incredibly well and gave it their all from starting whistle to the ending one. Trinity, Ryley, Caleb and Patience never backed off. Not once. Nathan and Lindsay were excellent in the net. Derek, Brodie, Brayden and Wheaton showed that they really can play all positions(and they did!) And Destiny in just 3 weeks of playing understands the game and is an excellent offensive player!

A HUGE thank you to Noah for coaching with me this week! I couldn't have done it without you!

Minnesota United

Lily played really well on the wing! Keep up the good work.

Columbus Crew

Columbus Crew close the first round with no losses and good score with the other teams.
